

Electroslice ORS Tetra Pack

ORS Apple Flavour Tetra Pack – Refreshingly Effective Hydration

Combat dehydration in a tasty and efficient way with our ORS Apple Flavour Tetra Pack. This scientifically formulated Oral Rehydration Solution is enriched with essential electrolytes, glucose, and minerals to restore your body's fluid balance quickly and effectively. Whether you're feeling drained from a hot day, intense workout, or recovering from an illness, our ORS solution is your ultimate hydration companion.

Why Choose ORS Apple Flavour?

- **Delicious Fruity Taste:** Infused with the natural essence of juicy apples, making every sip enjoyable.
- **Balanced Electrolytes:** Replenishes vital minerals like sodium and potassium for optimal hydration.
- **Quick Energy Boost:** The glucose content ensures rapid absorption and energy replenishment.
- **Convenient Packaging:** Portable, spill-proof tetra pack for hydration anytime, anywhere.
- **Safe for Everyone:** Suitable for kids, adults, athletes, and the elderly.

When to Use ORS Apple Flavour:

- **Heat and Sun Exposure:** Rehydrate during hot weather or prolonged sun exposure.
- **Post-Workout Recovery:** Restore energy and electrolytes after intense physical activity.
- **Travel & Outdoor Activities:** A must-have for trips, hikes, and outdoor adventures.
- **Illness & Recovery:** Effective for dehydration due to fever, diarrhea, or vomiting.
- **Daily Hydration:** A tasty way to maintain hydration levels throughout the day.

How It Works:

ORS Apple Flavour contains a scientifically optimized mix of electrolytes and glucose. This combination promotes rapid absorption in the

intestine, replenishing lost fluids and minerals faster than water alone.

Available in:

Convenient single-serve 200ml tetra packs – perfect for on-the-go hydration and easy storage.

Stay Hydrated, Stay Active!

Don't let dehydration slow you down. Enjoy the refreshing apple flavor while giving your body the care it needs. Keep ORS Apple Flavour Tetra Packs stocked at home, in your gym bag, or while traveling for quick and effective hydration anywhere.
