

"Relief that calms every cough, gently and effectively."

TinyBud™

Cufsniff™-NP Junior Syrup

Ammonium Chloride (7mg) + Noscapine (1.83mg) + Sodium Citrate (0.67mg)

- Effective combination for relief from dry & irritating cough.
- Ammonium Chloride helps in loosening mucus.
- Noscapine reduces cough reflex.
- Sodium Citrate maintains pH and eases throat irritation.
- Provides quick soothing action for throat discomfort.
- Non-sedative formulation (does not cause drowsiness).
- Suitable for managing persistent non-productive cough.
