

Information For the User  
Atorvastatin (20mg) + Ezetimibe (10mg) Tablet

# Atorable EZ 20 Tablet

**Brand Name:** Atorable EZ 20 Tablet

**Dosage Form:** Tablet

**Composition:**

Each film-coated tablet contains:

- Atorvastatin Calcium IP equivalent to Atorvastatin 20 mg
- Ezetimibe IP 10 mg

**Description:**

Atorable EZ 20 Tablet is a combination of Atorvastatin, a HMG-CoA reductase inhibitor, and Ezetimibe, a cholesterol absorption inhibitor. It is indicated for the management of dyslipidemia in patients who are inadequately controlled on statin therapy alone. It helps in reducing total cholesterol, LDL-cholesterol, and triglyceride levels, thereby lowering the risk of cardiovascular events.

**Indications:**

Indicated for the treatment of:

- Primary hypercholesterolemia
- Mixed dyslipidemia
- Hyperlipidemia where combination therapy is required

It helps in improving lipid parameters and reducing atherosclerotic cardiovascular risk.

**Dosage & Administration:**

Dosage should be as directed by the physician.

The tablet should be swallowed whole with water and may be taken with or without food.

Regular lipid profile monitoring is recommended during therapy.

**Pharmacological Action:**

Atorvastatin inhibits HMG-CoA reductase, reducing hepatic cholesterol synthesis and increasing LDL receptor expression, while Ezetimibe selectively inhibits intestinal absorption of cholesterol, providing a complementary lipid-lowering effect.

**Side Effects:**

Generally well tolerated.

Possible adverse effects include headache, myalgia, abdominal discomfort, nausea, and elevation of liver enzymes.

**Precautions & Warnings:**

- Use with caution in patients with hepatic impairment
- Periodic monitoring of liver function tests is advised
- Discontinue therapy if unexplained muscle pain or weakness occurs
- Contraindicated during pregnancy and lactation

**Drug Interactions:**

Caution is advised when used with other lipid-lowering agents due to an increased risk of myopathy.

Concomitant use with strong CYP3A4 inhibitors may increase atorvastatin plasma concentrations.

**Storage:**

Store below 25°C in a cool, dry place.

Protect from light and moisture.

Keep out of reach of children.

Manufactured in India for:
