

Bacitron Cream

Bacitracin I.P 400IU

Broad Spectrum Antibiotic

Bacitracin effectively targets a wide range of Gram-positive bacteria.¹

Promotes Faster Healing

Helps in preventing infection in minor cuts, wounds, and abrasions to support faster recovery.²

Topical Protection

Forms a protective barrier on the skin to prevent bacterial growth and further complications.³

Easy to Apply

Smooth cream base ensures easy application and better adherence for effective results.⁴

Dermatologically Safe

Well-tolerated formulation suitable for various skin types.⁵

INDICATIONS

Minor Cuts

Wounds

Abrasions

Burns

Post-Surgical Wounds

Skin Infections
