

Benzaflit Plus Tablet

Brand Name: Benzaflit Plus Tablet

Dosage Form: Tablet (Sustained Release formulation)

Composition:

Each SR tablet contains:

- Cyclobenzaprine Hydrochloride 15 mg (Sustained Release)
 - Aceclofenac 200 mg
-

Description:

Benzaflit Plus Tablet is a combination of a skeletal muscle relaxant (Cyclobenzaprine) and a non-steroidal anti-inflammatory drug (Aceclofenac).

It helps in relieving muscle spasms, stiffness, pain, and inflammation associated with musculoskeletal conditions.

This dual-action combination provides effective pain relief and improves mobility and comfort.

Indications:

Indicated for:

- Acute musculoskeletal pain
- Muscle spasms
- Low back pain
- Cervical spondylitis
- Post-traumatic muscle pain
- Strains and sprains

It helps in reducing pain and improving flexibility and functional movement.

Dosage & Administration:

- Take as directed by the physician.
 - Administer orally with food to minimize gastric irritation.
 - Do not crush or chew the SR tablet.
-

Pharmacological Action:

Cyclobenzaprine:

- Acts centrally to reduce muscle spasms without interfering with muscle function.

Aceclofenac:

- Inhibits prostaglandin synthesis to reduce pain, swelling, and inflammation.

Together, they provide faster and long-lasting musculoskeletal pain relief.

Side Effects:

Some patients may experience:

- Dizziness or drowsiness
 - Dry mouth
 - Gastric discomfort
 - Mild nausea or acidity
-

Precautions & Warnings:

- Avoid activities requiring alertness such as driving after intake due to drowsiness.
 - Use caution in patients with liver impairment, gastritis, or peptic ulcers.
 - Avoid alcohol consumption while on therapy.
 - Not recommended during pregnancy and lactation unless advised by a healthcare professional.
-

Drug Interactions:

May interact with:

- CNS depressants (sedatives, antihistamines, opioids)
 - Antidepressants (especially MAOIs — contraindicated)
 - Other NSAIDs or anticoagulants
-

Storage:

Store below 25°C in a cool, dry place.

Protect from direct sunlight and moisture.

Keep out of reach of children.
