

Skinticals™

Burnstep-SS Cream

Silver Sulfadiazine I.P 1% w/w

Broad Spectrum Antimicrobial Action

Silver Sulfadiazine effectively inhibits a wide range of bacteria, preventing infection in wounds and burns.¹

Promotes Faster Healing

Helps in creating a clean wound environment, reducing healing time and improving outcomes.²

Protects Burn Wounds

Provides a protective barrier that minimizes infection risk in first and second degree burns.³

Soothes & Cools

Reduces pain, irritation and inflammation, offering relief and comfort to the affected area.⁴

Supports Moist Wound Healing

Maintains an optimal moist environment essential for tissue repair and regeneration.⁵

Safe & Trusted Topical Therapy

Clinically proven and widely recommended for effective and safe management of burns and wounds.⁶

INDICATIONS

Burns
(1st & 2nd Degree)

Surgical
Wounds

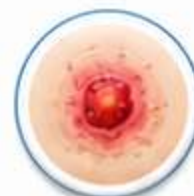

Traumatic
Wounds

Bed Sores/
Pressure Ulcers

Diabetic
Ulcers

Infected
Wounds
