Cafoli Vitamin C Handwash

Composition (per 100 ml):
Vitamin C (Ascorbic Acid) — 0.5% w/v
Gentle Surfactant Base — q.s.
Moisturizers and Emollients — q.s.
Fragrance and Colour — q.s.
pH-Balanced Aqua Base — q.s. to 100 ml

Description:
Cafoli Vitamin C Handwash is a pH-balanced, dermatologically gentle formulation enriched with the antioxidant power of Vitamin C. Designed for effective hand hygiene, it removes dirt, bacteria, and impurities while nourishing and revitalizing the skin. Its non-drying formula helps maintain natural skin moisture, leaving hands clean, soft, and refreshed after every wash.

Indications:
– Routine hand hygiene for personal, medical, and industrial use
– Skin protection from pollutants and environmental stressors
– Ideal for use in homes, hospitals, clinics, and food-handling areas

Mechanism of Action:
Vitamin C, a potent antioxidant, protects skin cells from oxidative damage while supporting collagen synthesis. The gentle surfactants remove microbes and dirt, while emollients and moisturizers prevent skin dryness or irritation, ensuring long-term hand health with repeated use.

Usage Directions:
Apply sufficient quantity to wet hands. Rub gently for 20–30 seconds, ensuring coverage over

fingers, palms, and nails. Rinse thoroughly with water and dry. Repeat as required.

Contraindications:
– Known hypersensitivity to Vitamin C or any ingredient in the formulation

Precautions:
– For external use only
– Avoid contact with eyes; in case of accidental contact, rinse with clean water

– Discontinue use if irritation or rash occurs
– Keep out of reach of children

Side Effects:
Generally well tolerated. Rarely, mild skin irritation or dryness may occur in very sensitive individuals.

Storage:
Store in a cool, dry place away from direct sunlight. Do not freeze. Keep container tightly closed after use.
