

Information For the Use
Coral calcium equivalent to calcium 500mg + vitamin d3 500mg tablet

Calostyle Coral 500 Tablet

Product Name: Coral Calcium + Vitamin D3 500mg Tablet

Product Overview:

Coral Calcium + Vitamin D3 500mg Tablet is a high-quality supplement specially formulated to promote strong bones, healthy teeth, and overall skeletal health. Derived from natural marine coral, this calcium is easily absorbed and works synergistically with Vitamin D3 to maximize calcium utilization in the body.

Key Features:

- **Premium Calcium Source:** Provides 500mg of calcium sourced from natural coral for enhanced bioavailability.
- **Enhanced Absorption:** Enriched with 500 IU of Vitamin D3 to facilitate better calcium absorption and utilization.
- **Bone & Joint Support:** Helps maintain bone strength, prevent calcium deficiencies, and reduce the risk of osteoporosis.
- **Teeth Health:** Supports healthy teeth and reduces the risk of dental problems associated with calcium deficiency.

Dosage & Administration:

Take **one tablet daily**, preferably with a meal, or as recommended by your healthcare provider.

Storage Instructions:

Store in a cool, dry place away from direct sunlight. Keep out of reach of children.

Caution:

- Consult a doctor before use, especially if you are pregnant, nursing, or on medication.
- Do not exceed the recommended dose.

Composition (Per Tablet):

- **Coral Calcium:** 500mg
- **Vitamin D3:** 500 IU
- Excipients: As needed

Why Choose Coral Calcium + Vitamin D3?

This supplement offers the perfect combination of calcium and Vitamin D3 to help maintain optimal bone health and overall well-being. Its natural composition ensures gentle digestion and effective results.
