

CalostyleTM XT

Calcium Carbonate (500mg) + Vitamin D3 (2000IU) +
Methylcobalamin (1500mcg) + L-Methyl Folate
Calcium (1mg) + Pyridoxal-5-phosphate (20mg)
Tablets

Keeping Spirits High

- Osteoporosis, Osteomalacia, and postmenopausal osteoporosis are all treated with it. Calcium and Vitamin D3 deficiencies are especially well-served by this kind of treatment.
- Bone health and maintenance are aided by the increased absorption of calcium and phosphorus. Increased calcium absorption in the gut also helps with bone density.
- **Vitamin B6** (as Pyridoxal-5-Phosphate), **Vitamin B9** (as L-Methylfolate **Calcium**), and **Vitamin B12** (as L-Methylfolate) are also included in this pill (as Methylcobalamin).
- As a result, the body's ability to maintain healthy bones is enhanced. For optimal bone health, calcium and Vitamin D3 levels should be maintained throughout the body.

Ensures Healthy Pregnancy

Indications

- ✓ Hyperhomocysteinemia Induced Osteoporosis
- ✓ Osteoporosis
- ✓ Postmenopausal osteoporosis
- ✓ Bone fracture Hypocalcemia
