

Information For the User

Cholecalciferol (2001I.U) + Retinyl Palmitate (450mcg) + Tocopheryl Acetate (7.5mg) + Thiamine Mononitrate (0.6mg) + Riboflavin (0.65mg) + Pyridoxine Hydrochloride (0.65mg) + L-Methylfolate Calcium (200mcg) + Pantothenic Acid (2.5mg) + Cyanocobalamin (1.2mcg)

Calostyle RT Oral Spray

Brand Name: Calostyle RT Oral Spray

Dosage Form: Oral Spray

Therapeutic Category: Multivitamin Supplements

Composition:

Each actuation contains:

- Cholecalciferol (Vitamin D3) – 2001 I.U.
- Retinyl Palmitate (Vitamin A) – 450 mcg
- Tocopheryl Acetate (Vitamin E) – 7.5 mg
- Thiamine Mononitrate (Vitamin B1) – 0.6 mg
- Riboflavin (Vitamin B2) – 0.65 mg
- Pyridoxine Hydrochloride (Vitamin B6) – 0.65 mg
- L-Methylfolate Calcium – 200 mcg
- Pantothenic Acid (Vitamin B5) – 2.5 mg
- Cyanocobalamin (Vitamin B12) – 1.2 mcg

Pharmacology & Mechanism of Action:

This multivitamin oral spray combines fat-soluble vitamins A, D3, and E with water-soluble B-complex vitamins, folate, and B12. Vitamin A supports vision, immune function, and epithelial tissue integrity. Vitamin D3 facilitates calcium absorption and bone mineralization. Vitamin E acts as an antioxidant protecting cellular membranes. B-complex vitamins act as coenzymes in energy metabolism, red blood cell formation, and neurological function. L-Methylfolate and B12 support homocysteine metabolism and neural health. The oral spray ensures rapid absorption and convenient administration.

Indications:

- Nutritional supplementation in vitamin deficiencies
- Support for bone health and calcium metabolism
- Immune system support
- Cognitive and neurological health maintenance
- Adjunct in pregnancy, lactation, and growth periods

Dosage & Administration:

- Adults and children above 6 years: 1–2 sprays daily or as directed by a physician
- Shake well before use
- Administer directly into the oral cavity, preferably after meals

Contraindications:

- Hypersensitivity to any of the ingredients
- Hypervitaminosis or pre-existing vitamin toxicity

Warnings & Precautions:

- Not a substitute for a balanced diet

- Consult a physician before use in pregnancy or lactation
- Avoid exceeding recommended daily dose
- Keep out of reach of children

Adverse Effects:

- Generally well tolerated
- Rarely may cause mild gastrointestinal discomfort, nausea, or allergic reactions

Storage:

Store below 25°C in a dry place

Protect from light and moisture

Keep the spray capped and nozzle clean after each use
