

Information For the Use
Magaldrate I.P. 400mg + Simethicone I.P. 20mg (Mango & Mint Flavour)

Clipsil Suspension

**Magaldrate I.P. 400mg + Simethicone I.P. 20mg
(Mango & Mint Flavour) Syrup:**

**Magaldrate 400mg + Simethicone 20mg
Syrup (Mango & Mint Flavour)**

Composition:

Each 5ml of syrup contains:

- **Magaldrate I.P.** – 400 mg
- **Simethicone I.P.** – 20 mg

Description:

This **Magaldrate & Simethicone Syrup** is an **antacid and anti-flatulent** formulation designed to provide **quick and effective relief** from acidity, heartburn, bloating, and indigestion. The combination works by **neutralizing excess stomach acid** and **reducing gas buildup**, ensuring improved digestive comfort. The **delicious mango & mint flavor** makes it more palatable and refreshing.

Indications:

- Hyperacidity & Acid Reflux
- Heartburn & Indigestion
- Bloating & Gas
- Peptic Ulcer & Gastritis

Mechanism of Action:

- **Magaldrate:** Acts as an **acid-neutralizing agent**, converting to **magnesium hydroxide and aluminum hydroxide** in the stomach, which helps in reducing acidity.
- **Simethicone:** Works as an **anti-flatulent**, breaking down gas bubbles in the stomach and intestines, relieving bloating and discomfort.

Dosage & Administration:

- **Adults:** 5-10ml after meals or as directed by a physician.
- **Children:** As prescribed by the doctor.
- Shake well before use.

Precautions & Warnings:

- Avoid in patients with **kidney disorders** unless prescribed.
- Not recommended for prolonged use without medical advice.
- Consult a doctor if pregnant, breastfeeding, or taking other medications.

Storage:

- Store in a **cool, dry place** away from direct sunlight.
- Keep out of reach of children.
