

Information For the User
Vaporizing Balm

Cafoli Herbal Vaporizing Rub

Brand Name: Cafoli Herbal Vaporizing Rub

Dosage Form: Topical Vaporizing Rub

Composition:

Each 10 g contains

Menthol IP 5% w/w

Camphor IP 4.8% w/w

Eucalyptus Oil IP 1.5% w/w

Thymol IP 0.1% w/w

Other herbal essential oils and excipients q.s.

Therapeutic Indication:

Indicated for symptomatic relief of nasal congestion, common cold, mild body aches, and muscular stiffness

Helps improve breathing, provides a soothing warming effect, and offers mild antiseptic protection

Mechanism of Action:

Menthol and camphor produce a cooling and counter-irritant effect that relieves pain and congestion

Eucalyptus oil acts as a decongestant and expectorant, facilitating nasal clearance

Thymol and other herbal oils provide mild antiseptic, soothing, and anti-inflammatory properties

Dosage & Administration:

Apply a thin layer gently on chest, throat, back, or affected areas 2–3 times daily or as directed

For inhalation, rub a small amount on a cloth and inhale vapors

Do not apply to broken or irritated skin

Avoid contact with eyes and mucous membranes

Contraindications:

Hypersensitivity to any of the ingredients

Not recommended for children under 2 years of age

Avoid application to wounds or damaged skin

Warnings & Precautions:

For external use only

Do not apply heat or use tight bandages over the applied area

Discontinue if irritation, rash, or excessive redness occurs

Keep out of reach of children

Side Effects:

Rarely may cause skin irritation, rash, or allergic reaction

Overuse may lead to burning sensation or dryness

Storage:

Store in a cool, dry place below 25°C

Protect from light and moisture

Keep the container tightly closed

Packaging:

Cafoli Herbal Vaporizing Rub is available in plastic jars or tubes of 10 g, 20 g, or suitable sizes

Schedule:

OTC (Over-the-Counter) product – to be used as directed
