

Information For the User
Dicyclomine (10mg) + Dimethicone (40mg) Syrup

Dewspas Suspension

Brand Name: Dewspas Suspension

Dosage Form: Syrup

Composition:

Each 5 ml contains:

- Dicyclomine Hydrochloride IP 10 mg
- Dimethicone IP 40 mg

Description:

Dewspas Suspension is a combination of an antispasmodic and an anti-foaming agent indicated for the management of functional gastrointestinal disorders. It helps in relieving abdominal cramps, bloating, and discomfort by relaxing gastrointestinal smooth muscles and reducing gas formation.

Indications:

Indicated for the symptomatic treatment of:

- Irritable bowel syndrome (IBS)
- Functional abdominal pain and cramps
- Intestinal gas-related discomfort
- Other gastrointestinal conditions associated with smooth muscle spasm

It helps in reducing abdominal pain, cramps, bloating, and excessive gas formation.

Dosage & Administration:

Dosage should be as directed by the physician.

Shake well before use.

Use a calibrated measuring cup or spoon for accurate dosing.

Pharmacological Action:

Dicyclomine is an anticholinergic agent that relaxes smooth muscles of the gastrointestinal tract, reducing spasms and cramping. Dimethicone is an anti-foaming agent that decreases the surface tension of gas bubbles, facilitating their coalescence and expulsion, thereby reducing bloating and discomfort.

Side Effects:

Generally well tolerated.

Occasionally, dry mouth, dizziness, blurred vision, or mild gastrointestinal discomfort may occur.

Precautions & Warnings:

- Use with caution in patients with glaucoma, myasthenia gravis, or obstructive gastrointestinal disorders
- Use under medical supervision in pediatric and elderly patients
- Do not exceed the recommended dosage

Drug Interactions:

Concurrent use with other anticholinergic agents may increase the risk of adverse effects. Use under medical supervision.

Storage:

Store below 25°C in a cool, dry place.

Protect from light and moisture.

Keep out of reach of children.

Manufactured in India for:

Cafoli Lifecare Pvt. Ltd.
