

Information For the User

Urea 10% + Lactic Acid 10% + Propylene Glycol 10% + Liquid Paraffin 10% + Methyl Paraben 0.15% + Propyl Paraben 0.05% Cream

Diziderm Plus Foot Cream

Brand Name: Diziderm Plus Foot Cream

Dosage Form: Topical Cream

Therapeutic Category: Keratolytic, Emollient & Moisturizing Agent

Composition:

Each gram contains:

- Urea IP – 10%
- Lactic Acid IP – 10%
- Propylene Glycol IP – 10%
- Liquid Paraffin IP – 10%
- Methyl Paraben IP – 0.15%
- Propyl Paraben IP – 0.05%
- Cream base – q.s.

Pharmacology & Mechanism of Action:

Diziderm Plus Foot Cream is a powerful combination of keratolytic, hydrating, and protective agents formulated to repair dry, cracked, and calloused skin—particularly on the feet and heels. Urea acts as a natural moisturizing factor that softens and loosens dry, thickened skin. Lactic Acid, an alpha hydroxy acid, enhances exfoliation and promotes skin cell renewal. Propylene Glycol and Liquid Paraffin provide deep hydration and create an occlusive barrier to lock in moisture. The inclusion of parabens ensures the formulation remains microbiologically stable.

Indications:

- Dry, cracked heels and feet
- Hyperkeratotic skin conditions
- Ichthyosis, xerosis, and scaling disorders
- Diabetic foot care (non-ulcerative skin)
- Corns and calluses

Dosage & Administration:

Apply a thin layer to the affected area twice daily or as directed by the physician

Massage gently until fully absorbed

Wash hands after application unless treating hands

Contraindications:

- Hypersensitivity to any ingredient
- Not to be used on open wounds or broken/infected skin

Warnings & Precautions:

- For external use only
- Avoid contact with eyes and mucous membranes
- Discontinue use if irritation or rash occurs
- Keep the tube tightly closed after use

Adverse Effects:

Generally well tolerated

Occasionally may cause mild irritation, redness, or stinging sensation

Allergic reactions are rare but should be monitored in sensitive individuals

Storage:

Store below 25°C in a cool, dry place

Protect from direct sunlight

Keep out of reach of children
