

Information For the User  
Etodolac (400mg) + Tolperisone (150mg) Tablet

# Edofoam TP Tablet

Edofoam TP Tablet

**Dosage Form:** Tablet

**Composition:**

Each film coated tablet contains:

Etodolac I.P. 400 mg

Tolperisone Hydrochloride I.P. 150 mg

**Description:**

Edofoam TP Tablet is a combination formulation containing Etodolac, a non-steroidal anti-inflammatory drug (NSAID), and Tolperisone, a centrally acting muscle relaxant. This combination is used for the management of musculoskeletal pain, inflammatory conditions, and muscle spasm. It provides effective pain relief, reduces inflammation, and helps improve mobility and functional activity.

**Indications:**

Acute and chronic musculoskeletal pain

Muscle spasm and spasticity

Back pain and cervical spondylosis

Osteoarthritis and other inflammatory musculoskeletal disorders

**Dosage & Administration:**

Dosage should be taken as directed by the physician.

Tablet should be swallowed whole with water, preferably after meals.

**Pharmacological Action:**

Etodolac selectively inhibits cyclooxygenase (COX-2), reducing prostaglandin synthesis and providing analgesic and anti-inflammatory effects.

Tolperisone acts centrally to inhibit polysynaptic reflexes in the spinal cord, resulting in muscle relaxation and reduction of spasticity.

The combination provides both anti-inflammatory and muscle relaxant benefits, leading to improved pain management and mobility.

**Side Effects:**

Gastrointestinal discomfort

Nausea

Dizziness

Headache

Rare hypersensitivity reactions

**Precautions & Warnings:**

Use under medical supervision only.

Use cautiously in patients with renal or hepatic impairment, cardiovascular disease, or

hypertension.

Avoid concurrent use with other NSAIDs unless advised by physician.

Not recommended during pregnancy and lactation unless prescribed.

**Drug Interactions:**

May interact with anticoagulants, antihypertensives, and other NSAIDs.

Consult physician before concomitant use with other medications.

**Storage:**

Store below 25°C in a cool, dry place.

Protect from light and moisture.

Keep out of reach of children.

Manufactured in India for:

**Cafoli Lifecare Pvt. Ltd.**
