

Electroslice Energy drink

Brand Name: Electroslice Energy Drink Liquid – Mango Flavour

Dosage Form: Energy Drink Liquid

Therapeutic Category: Nutritional Supplement – Energy & Electrolyte Replenishment

Composition:

Each 200 ml contains:

- **Glucose / Carbohydrates** – immediate energy source
- **Sodium** – electrolyte, maintains fluid balance
- **Potassium** – electrolyte, supports muscle and nerve function
- **Zinc** – trace element, supports immunity
- **Vitamin C** – antioxidant, supports metabolic activity
- Flavoring agents – Mango flavor
- Excipients – q.s.

Description:

Electroslice Energy Drink Liquid is formulated to provide rapid energy replenishment and maintain electrolyte balance during physical exertion or dehydration. The combination of glucose, essential electrolytes, and vitamins helps restore energy levels, supports hydration, and prevents fatigue. Mango flavor enhances palatability and encourages regular intake.

Pharmacology & Mechanism of Action:

- **Glucose / Carbohydrates:** Quickly metabolized to produce energy for cellular and muscular activity.
- **Electrolytes (Sodium & Potassium):** Maintain osmotic balance, prevent muscle cramps, and support nerve conduction.
- **Zinc & Vitamin C:** Support enzymatic reactions, antioxidant defense, and overall metabolic functions.

Indications:

- Energy replenishment during physical activity or fatigue
- Prevention of dehydration in mild fluid loss
- Support during mild electrolyte imbalance
- As a nutritional supplement in physically active individuals

Dosage & Administration:

- Adults & children above 5 years: 1 bottle (200 ml) as needed
- Can be consumed before, during, or after physical activity
- Shake well before use

Contraindications:

- Hypersensitivity to any component of the formulation
- Not suitable for patients with uncontrolled diabetes (contains glucose)

Warnings & Precautions:

- Do not exceed recommended daily intake

- Use under supervision in patients with renal or cardiac disorders
- Keep out of reach of children

Storage:

- Store in a cool, dry place below 25°C
- Protect from direct sunlight and moisture
- Once opened, consume within 24 hours
