#### Indications & Benefits:

This **nutritional supplement syrup** is formulated to support overall **growth, immunity, and metabolic health**. It provides a comprehensive blend of essential vitamins, minerals, and antioxidants, making it beneficial for:

#### Boosting Immunity:

- Lycopene and Vitamin C help fight free radicals and strengthen the immune system
- Zinc and Vitamin D3 support immune cell function

#### Enhancing Energy & Metabolism:

- B-complex vitamins (B1, B2, B6, B12, Niacinamide) support energy production and nerve health
- Folic Acid aids in red blood cell formation

#### Supporting Growth & Development:

- Vitamin A supports vision and skin health

- Lysine helps in tissue repair and muscle growth

#### Maintaining Bone & Joint Health:

- Vitamin D3 aids calcium absorption and bone strength
- Manganese and Copper contribute to bone and connective tissue health

#### Promoting Skin & Hair Health:

- Niacinamide, D-Panthenol, and Vitamin C help maintain healthy skin, hair, and nails

---

#### Dosage & Administration:

- **Adults:** 5-10ml per day or as directed by a physician
- **Children:** 2.5-5ml per day or as prescribed

Shake well before use. Best taken after meals for optimal absorption.

---

#### Storage Instructions:

- Store in a cool, dry place away from direct sunlight
- Keep out of reach of children

---

#### Precautions & Warnings:

- Do not exceed the recommended dosage
- Consult a doctor before use if pregnant, breastfeeding, or taking other medications
- Not a substitute for a balanced diet

Here is a detailed write-up for **Ferrous Ascorbate (100mg) + Folic Acid (1.5mg) + Zinc (22.5mg) Softgel**

---

## Product Name:

Iron, Folic Acid, and Zinc Softgel

## Composition (Per Softgel):

- **Ferrous Ascorbate** – 100 mg
  - **Folic Acid** – 1.5 mg
  - **Zinc** – 22.5 mg
- 

## Indications & Benefits:

This supplement is formulated to support **iron levels, red blood cell production, and overall health**. It is beneficial for:

### Preventing & Managing Anemia:

- Ferrous Ascorbate provides a highly bioavailable form of iron, essential for hemoglobin production
- Folic Acid aids in red blood cell formation and prevents folate deficiency anemia

### Supporting Pregnancy & Fetal Development:

- Folic Acid is crucial for fetal neural tube development and helps prevent birth defects
- Iron helps meet the increased demand for blood supply during pregnancy

### Boosting Immunity & Energy Levels:

- Zinc plays a vital role in immune function and wound healing
- Iron supports oxygen transport and reduces fatigue

## Improving Overall Well-being:

- Essential for cognitive function, skin health, and metabolic processes
  - Supports growth and development in children and adolescents
- 

## Dosage & Administration:

- **Adults:** One softgel daily or as directed by a physician
- **Pregnant and lactating women:** As prescribed by a healthcare professional

Best taken after meals for optimal absorption.

---

## Storage Instructions:

- Store in a cool, dry place away from direct sunlight
  - Keep out of reach of children
- 

## Precautions & Warnings:

- Do not exceed the recommended dosage
- Consult a doctor before use if pregnant, breastfeeding, or taking other medications
- May cause mild gastrointestinal discomfort in some individuals
