

Information For the User  
Fluoxetine (20mg) Capsule

# Fluslide 20 Capsules

Fluslide 20 Capsule

**Dosage Form:** Capsule

**Composition:**

Each hard gelatin capsule contains:  
Fluoxetine Hydrochloride I.P. equivalent to Fluoxetine 20 mg

**Description:**

Fluslide 20 Capsule contains Fluoxetine, a selective serotonin reuptake inhibitor (SSRI) used in the management of various psychiatric disorders. It helps increase serotonin levels in the brain, which plays an important role in regulating mood, emotions, and behavior. This medication is commonly prescribed for depression and other mood-related conditions and helps restore emotional balance and mental well-being.

**Indications:**

Major depressive disorder  
Obsessive compulsive disorder (OCD)  
Panic disorder  
Bulimia nervosa  
Premenstrual dysphoric disorder (PMDD)

**Dosage & Administration:**

Dosage should be taken as directed by the physician.  
Capsule should be swallowed whole with water, with or without food.  
Do not crush or chew the capsule.

**Pharmacological Action:**

Fluoxetine works by selectively inhibiting the reuptake of serotonin (5-HT) in the brain. This action increases the availability of serotonin in the synaptic cleft, enhancing serotonergic neurotransmission. Improved serotonin signaling helps stabilize mood, reduce anxiety, and improve emotional and psychological functioning.

**Side Effects:**

Nausea  
Headache  
Insomnia  
Dizziness  
Loss of appetite

**Precautions & Warnings:**

Use under medical supervision only.  
Monitor patients for worsening depression or suicidal thoughts, particularly during the early phase of treatment.

Use cautiously in patients with hepatic impairment or seizure disorders.  
Not recommended during pregnancy and lactation unless prescribed by a physician.

**Drug Interactions:**

May interact with monoamine oxidase inhibitors (MAOIs), other antidepressants, anticoagulants, and certain central nervous system medications.

Consult physician before using with other medicines.

**Storage:**

Store below 25°C in a dry place.

Protect from light and moisture.

Keep out of reach of children.

Manufactured in India for:

**Cafoli Lifecare Pvt. Ltd.**
