

Information For the User
Fluoxetine (60mg) Capsule

Fluslide 60 Capsules

Fluslide 60 Capsule

Dosage Form: Capsule

Composition:

Each hard gelatin capsule contains:

Fluoxetine Hydrochloride I.P. equivalent to Fluoxetine 60 mg

Description:

Fluslide 60 Capsule contains Fluoxetine, a selective serotonin reuptake inhibitor (SSRI) used in the management of various psychiatric disorders. It acts by increasing the level of serotonin in the brain, thereby helping to improve mood, emotional balance, and mental well-being.

Fluoxetine is widely used for the treatment of depression and other mood-related disorders and helps in restoring normal psychological function.

Indications:

Major depressive disorder

Obsessive compulsive disorder (OCD)

Panic disorder

Bulimia nervosa

Premenstrual dysphoric disorder (PMDD)

Dosage & Administration:

Dosage should be taken as directed by the physician.

Capsule should be swallowed whole with water, with or without food.

Do not crush or chew the capsule.

Pharmacological Action:

Fluoxetine selectively inhibits the reuptake of serotonin (5-HT) in the presynaptic neurons, leading to increased serotonin levels in the synaptic cleft. This enhanced serotonergic activity helps regulate mood, emotions, and behavior, thereby improving symptoms associated with depression and related psychiatric conditions.

Side Effects:

Nausea

Headache

Insomnia

Dizziness

Loss of appetite

Precautions & Warnings:

Use under medical supervision only.

Monitor for worsening depression, suicidal thoughts, or behavioral changes, especially during initial therapy.

Use cautiously in patients with hepatic impairment or seizure disorders.
Not recommended during pregnancy and lactation unless prescribed by a physician.

Drug Interactions:

May interact with monoamine oxidase inhibitors (MAOIs), other antidepressants, anticoagulants, and certain CNS acting drugs.

Consult physician before using with other medications.

Storage:

Store below 25°C in a dry place.

Protect from light and moisture.

Keep out of reach of children.

Manufactured in India for:

Cafoli Lifecare Pvt. Ltd.

(An ISO 9001: 2015 Certified Co.)
