

Information For the User

Alpha Galactosidase (150 mg) + Lactase (30 mg) + Protease (25 mg) + Amylase (50 mg) + Lipase (3 mg)
Capsule

Gasotyle LP Capsule

Gasotyle LP Capsule

Dosage Form: Capsule

Composition:

Each capsule contains:

Alpha Galactosidase 150 mg

Lactase 30 mg

Protease 25 mg

Amylase 50 mg

Lipase 3 mg

Description:

Gasotyle LP Capsule is a digestive enzyme formulation containing Alpha Galactosidase, Lactase, Protease, Amylase, and Lipase. It helps improve digestion by assisting in the breakdown of carbohydrates, proteins, fats, and lactose present in food. The combination supports better nutrient absorption and helps reduce digestive discomfort such as bloating, gas formation, heaviness after meals, and indigestion.

Indications:

Indigestion and dyspepsia

Bloating and excessive gas formation

Lactose intolerance

Digestive enzyme deficiency

Post-meal heaviness and abdominal discomfort

Dosage & Administration:

Dosage should be taken as directed by the physician.

Capsule should be swallowed whole with water, preferably after meals.

Pharmacological Action:

Alpha Galactosidase helps break down complex carbohydrates that commonly cause gas and bloating.

Lactase aids in the digestion of lactose present in dairy products.

Protease assists in protein digestion into smaller peptides and amino acids.

Amylase helps convert starch into simple sugars for easier absorption.

Lipase supports fat digestion by breaking down triglycerides into fatty acids and glycerol.

The combination improves digestive efficiency and reduces gastrointestinal discomfort.

Side Effects:

Mild abdominal discomfort

Nausea

Allergic reactions (rare)
Changes in bowel habits

Precautions & Warnings:

Use under medical supervision only.
Use cautiously in patients with known hypersensitivity to enzyme preparations.
Do not exceed the recommended dosage.

Drug Interactions:

No significant drug interactions reported when used as prescribed.
Inform physician about other ongoing medications before use.

Storage:

Store below 25°C in a dry place.
Protect from light and moisture.
Keep out of reach of children.
