

# Gasotyle LP

## Ease Digestion

Relieve

Bloating

- Relieve the feeling of fullness and pressure caused by gas in the digestive tract.
- Helps break down difficult-to-digest carbohydrates in foods like beans, broccoli, and grains.
- Helps to alleviate abdominal pain and discomfort.
- Effective in reducing the amount of gas passed from the body.
- Helps make the digestion of gas-producing foods more comfortable.

Gas Bloating

Stomach Pain

Digestive Support

Irritable Bowel Syndrome

Alpha Galactosidase (150 mg) + Lactase (30 mg) + Protease (25 mg) + Amylase (50 mg) + Lipase (3 mg) **Capsules**
