Glotyle Aloe Vera Facewash

Neem & Aloe Vera Facewash with Niacinamide

Transform your skincare routine with the ultimate blend of science and nature!

Crafted to cleanse, soothe, and nourish, our Neem & Aloe Vera Facewash with Niacinamide is designed to give your skin the care it deserves. Perfect for daily use, this facewash caters to all skin types, especially oily, acne-prone, and sensitive skin.

Key Features

- 1. Deep Cleansing**
 - Effectively removes dirt, excess oil, and impurities without over-drying your skin.
 - The powerful yet gentle combination of Sodium Lauryl Ether Sulphate and Coco Aminopropyl Betaine ensures a deep clean, leaving your face refreshed and rejuvenated.
- 2. Hydration & Nourishment**
 - Enriched with Glycerine and Hydrogenated Castor Oil, it restores moisture balance, leaving your skin soft and hydrated after every wash.
- 3. Natural Care for Problematic Skin**
 - Neem Extract:** A time-tested antibacterial agent that fights acne-causing bacteria, reduces redness, and prevents further breakouts.
 - Aloe Vera Extract:** Known for its soothing properties, it calms irritated skin, reduces inflammation, and promotes natural healing.
- 4. Enhanced Skin Barrier**

- Infused with **Niacinamide**, it helps repair the skin's natural barrier, reduces acne scars, minimizes pores, and improves texture for an even, glowing complexion.

5. Exfoliation & Smooth Texture

- Contains **Cellulose Beads Green** for gentle exfoliation, removing dead skin cells and revealing a smoother, more radiant surface.

6. Calming & Rejuvenating

- Allantoin** calms sensitive skin while promoting cell regeneration to give you a youthful glow.

Why Choose Our Facewash?

- Free from harsh chemicals that can damage your skin.
- Dermatologically tested for safety and efficacy.
- Provides a balanced cleansing experience that doesn't strip your skin of its natural oils.
- Infused with a refreshing fragrance to invigorate your senses.

How to Use:

- Wet Your Face:** Splash your face with lukewarm water.
- Apply Facewash:** Take a pea-sized amount and gently massage onto your face in circular motions. Focus on areas prone to oil buildup like the T-zone.
- Rinse Off:** Thoroughly wash away with water and pat dry with a soft towel.

4. **Follow Up:** For best results, follow with a toner and moisturizer.
-

Who Can Use It?

This facewash is ideal for:

- People struggling with acne, blackheads, and blemishes.
 - Those looking for a natural solution to control excess oil and shine.
 - Anyone seeking hydrated, soft, and visibly healthier skin.
-
