- **Sodium Gluconate** – chelating agent
- **Glycolic Acid** – exfoliating agent
- Excipients – q.s.
- Colour & fragrance – Approved grade

## Description:

Glotype Plus Foaming Facewash is a gentle yet effective facial cleanser formulated for acne-prone and sensitive skin. It combines natural botanical extracts like Aloe Vera, Neem, and Tulsi with active ingredients such as Salicylic Acid and Glycolic Acid to cleanse, exfoliate, and control excess oil. The product helps reduce blemishes, unclogs pores, and promotes a healthy, refreshed skin appearance.

## Pharmacology & Mechanism of Action:

- **Salicylic Acid:** A beta-hydroxy acid that penetrates pores, exfoliates dead skin cells, and reduces acne formation.
- **Glycolic Acid:** An alpha-hydroxy acid that promotes gentle exfoliation and improves skin texture.
- **Neem & Tulsi Extracts:** Provide antibacterial and anti-inflammatory effects, reducing acne-causing bacteria.
- **Aloe Vera & Glycerine:** Moisturize and soothe the skin, preventing dryness.
- **Sodium Surcosinate & CAPB:** Ensure mild cleansing and foaming without harsh irritation.

## Indications:

- Acne-prone skin
- Oily skin with blackheads and whiteheads
- Skin prone to inflammation and redness
- Daily facial cleansing for sensitive skin

## Dosage & Administration:

- Apply a small amount on wet face and neck
- Massage gently in circular motions for 30–60 seconds

- Rinse thoroughly with water
- Use twice daily, morning and evening

**Contraindications:**

- Hypersensitivity to any ingredient
- Open wounds or broken skin

**Warnings & Precautions:**

- Avoid contact with eyes; rinse immediately if contact occurs
- For external use only
- Discontinue use if irritation develops
- Keep out of reach of children

**Storage:**

- Store below 25°C in a dry place
- Protect from direct sunlight
- Keep container tightly closed after use
