

Information For the User
Ketoconazole (2% w/w)

Ketoxyle Dusting Powder

Ketoxyle Dusting Powder

Composition:

Each 100g contains:

- **Ketoconazole 2% w/w**
- **Excipients q.s.**

Description:

Ketoxyle Dusting Powder contains **Ketoconazole**, a broad-spectrum **antifungal agent** that helps in treating and preventing **fungal skin infections**. It works by inhibiting **fungal cell membrane synthesis**, effectively reducing itching, irritation, and fungal growth.

Indications:

- **Tinea infections (ringworm, jock itch, athlete's foot)**
- **Candidiasis (yeast infections)**
- **Excessive sweating-related fungal infections**
- **Fungal diaper rash**

Directions for Use:

- **Clean and dry the affected area** before application.
- Apply a **thin layer** 2–3 times daily or as directed by a physician.
- Can be used in **socks, shoes, and innerwear** to prevent fungal growth.

Contraindications:

- **Hypersensitivity to Ketoconazole** or other antifungals.
- **Avoid contact with eyes, nose, and mouth.**

Warnings & Precautions:

- **For external use only.**
- **Discontinue use** if irritation or redness occurs.
- Use with caution in **pregnant or breastfeeding women** (consult a doctor).

Adverse Effects:

- **Mild burning or irritation** at the application site.
- **Redness or dryness** (rare).

Storage:

- Store in a **cool, dry place, away from direct sunlight.**

- **Keep out of reach of children.**
