

Information For the User  
lafutidine 10mg Tablet

# Lafuset Tablet

**Brand Name:** Lafuset Tablet

**Composition:**

Each film-coated tablet contains:

Lafutidine IP 10 mg

**Therapeutic Indication:**

Indicated for the treatment of acid-related gastrointestinal disorders including gastric ulcers duodenal ulcers and gastroesophageal reflux disease (GERD)

Also used for the prevention of ulcer recurrence and NSAID-induced gastric mucosal injury

**Mechanism of Action:**

Lafutidine is a second-generation H<sub>2</sub>-receptor antagonist

It inhibits gastric acid secretion by selectively blocking histamine H<sub>2</sub> receptors on gastric parietal cells

Additionally it stimulates mucosal protective factors including increased mucus and bicarbonate secretion and enhances mucosal blood flow offering dual protective and anti-secretory actions

**Dosage & Administration:**

Usual adult dose: 10 mg once or twice daily or as directed by the physician

Preferably taken before meals

Duration of therapy depends on the severity and type of condition being treated

**Contraindications:**

Hypersensitivity to Lafutidine or any component of the formulation

Not recommended in patients with severe liver dysfunction unless closely monitored

Use in pregnancy or lactation only if clearly needed and prescribed by a physician

**Warnings & Precautions:**

Use with caution in patients with hepatic or renal impairment

Evaluate for malignancy before starting therapy in patients with gastric ulcers as symptoms may mask cancer

Monitor response to therapy especially in long-term use

**Side Effects:**

Common: headache constipation diarrhea nausea

Less common: dizziness rash flatulence fatigue

Rare: liver enzyme elevation hypersensitivity reactions

**Storage:**

Store in a cool dry and dark place below 25°C

Protect from moisture and light

Keep out of reach of children

**Packaging:**

Lafuset Tablet is available in blister or strip packs

**Schedule:**

Schedule H Prescription Drug – To be sold by retail on the prescription of a registered medical practitioner only
