

# Miratyle 25 Tablet

## Mirabegron (E.R.) 25mg Tablet – Advanced Overactive Bladder Treatment

### Composition:

Mirabegron (E.R.) 25mg

### Pharmaceutical Segment:

Urology | Overactive Bladder Treatment

### Brand Name:

[Your Brand Name]

## Therapeutic Uses & Benefits

### Primary Indication:

- Effective management of overactive bladder (OAB) symptoms, including urgency, frequent urination, and urinary incontinence.

### Secondary Benefits:

- Relaxes bladder muscles, improving urinary retention.
- Helps reduce nocturnal urination (nocturia), ensuring better sleep.
- Increases bladder capacity and delays the need to urinate.
- Provides long-term relief with an extended-release mechanism.
- Enhances overall bladder control and quality of life.

## How It Works

- **Mirabegron (E.R.) 25mg** is a  **$\beta$ 3-adrenergic agonist** that works by relaxing the detrusor muscles in the bladder, allowing it to store urine more effectively, reducing urgency and frequency of urination.

## Usage Instructions

### Recommended Dosage & Administration:

1. Take **one tablet once daily** with or without food.
2. Swallow whole; do not crush, chew, or split.
3. Follow the prescribed dose as per a healthcare provider's guidance.
4. Stay hydrated and maintain a balanced lifestyle for optimal bladder health.

## Why Choose [Your Brand Name] Mirabegron (E.R.) 25mg Tablet?

- **Extended-release formulation** for sustained action.
- **Clinically proven** to manage OAB symptoms effectively.
- **WHO-GMP certified** product ensuring safety and efficacy.
- **Minimal side effects** compared to conventional OAB treatments.
- **Available for bulk supply, PCD pharma franchise, and third-party manufacturing.**
