

Information For the User  
Amoxycillin (500mg) + Lactic Acid Bacillus (1.66 Millions) Capsules

# Moxyplit 500 LB Capsule

## Composition:

Each hard gelatin capsule contains:

**Amoxycillin Trihydrate I.P.** equivalent to Amoxycillin ..... 500 mg  
**Lactic Acid Bacillus** ..... 1.66 million  
spores  
Excipients ..... q.s.

## Description:

Moxyplit 500 LB Capsule is a combination of a broad-spectrum beta-lactam antibiotic, Amoxycillin, and a probiotic strain, Lactic Acid Bacillus. Amoxycillin is effective against a wide range of Gram-positive and Gram-negative bacteria, while Lactic Acid Bacillus helps restore and maintain healthy intestinal flora, thereby preventing antibiotic-associated diarrhea and dysbiosis.

## Indications:

Bacterial infections of the respiratory tract, urinary tract, skin, and soft tissues  
Typhoid fever, dental infections, and ENT infections  
Gastrointestinal infections with risk of antibiotic-induced diarrhea  
Post-surgical prophylaxis

## Mechanism of Action:

Amoxycillin inhibits bacterial cell wall synthesis by binding to penicillin-binding proteins, leading to cell lysis and death. Lactic Acid Bacillus restores normal gut flora, produces lactic acid to inhibit harmful bacteria, and enhances digestion and immunity during antibiotic therapy.

## Dosage and Administration:

Adults: 1 capsule every 8–12 hours or as directed by the physician  
Administer after meals with a full glass of water  
Dose adjustment required in renal impairment

## Side Effects:

Nausea, vomiting, diarrhea  
Skin rash, urticaria, allergic reactions  
Abdominal discomfort, bloating (mild)  
Rarely, pseudomembranous colitis

## Precautions:

Check for penicillin hypersensitivity before prescribing  
Use with caution in patients with renal or hepatic impairment  
Prolonged use may result in superinfection with non-susceptible organisms  
Avoid in patients with a history of severe antibiotic-associated colitis

**Storage:**

Store in a cool, dry place below 25°C

Protect from light and moisture

Keep out of reach of children
