

Nazohub

Sodium Chloride (0.9% w/v) + Benzalkonium Chloride Solution (0.02% v/v) Nasal Spray

- Provides natural and gentle cleansing of nasal passages.
- Helps moisturize dry nasal membranes and clear nasal congestion.
- Effective in removing dust, allergens, and pollutants from the nasal cavity.
- Sodium Chloride maintains normal nasal moisture and eases breathing.
- Benzalkonium Chloride acts as a mild antiseptic to prevent microbial growth.
- Safe for daily use and suitable for both adults and children.
- Supports better breathing during cold, allergy, or sinus congestion.
- Helps improve nasal comfort during sinusitis or seasonal changes.
