

## Information For the User

Alpha Lipoic Acid (200mg) + Benfotiamine (150mg) + Calcium Carbonate (500mg) + Chromium Picolinate (200mcg) + Folic Acid (1.5mg) + Inositol (100mg) + Methylcobalamin (1500mcg) + Pyridoxine Hydrochloride (3mg) + Vitamin D3 (1000IU) Tablet

# Nuroslide CD3 Tablet

Nuroslide CD3 Tablet

**Dosage Form:** Tablet

### **Composition:**

Each film coated tablet contains:

Alpha Lipoic Acid 200 mg

Benfotiamine 150 mg

Calcium Carbonate I.P. 500 mg

Chromium Picolinate 200 mcg

Folic Acid I.P. 1.5 mg

Inositol 100 mg

Methylcobalamin I.P. 1500 mcg

Pyridoxine Hydrochloride I.P. 3 mg

Vitamin D3 (Cholecalciferol) I.P. 1000 IU

### **Description:**

Nuroslide CD3 Tablet is a comprehensive nutritional formulation containing antioxidants, neurotropic vitamins, and essential minerals. It is used as supportive therapy in neuropathic conditions and metabolic disorders. The combination helps improve nerve health, supports glucose metabolism, and provides antioxidant protection against oxidative stress. It also contributes to bone health and overall metabolic balance.

### **Indications:**

Peripheral neuropathy

Diabetic neuropathy

Vitamin and mineral deficiency

Nerve pain and numbness

Supportive therapy for metabolic and neurological health

### **Dosage & Administration:**

Dosage should be taken as directed by the physician.

Tablet should be swallowed whole with water, preferably after meals.

### **Pharmacological Action:**

Alpha Lipoic Acid acts as a potent antioxidant and helps reduce oxidative stress in nerve tissues. Benfotiamine supports nerve function and helps prevent nerve damage associated with metabolic disorders.

Methylcobalamin, Pyridoxine, and Folic Acid contribute to nerve regeneration and proper neurological function.

Chromium Picolinate supports glucose metabolism and improves insulin sensitivity.

Calcium and Vitamin D3 help maintain bone health and support neuromuscular function.

Inositol supports cellular signaling and metabolic balance.

**Side Effects:**

Mild gastrointestinal discomfort

Nausea

Headache

Rare allergic reactions

**Precautions & Warnings:**

Use under medical supervision only.

Use cautiously in patients with hypersensitivity to any of the ingredients.

Patients with chronic medical conditions should consult a physician before use.

**Drug Interactions:**

May interact with antidiabetic medications and other vitamin supplements.

Consult physician before using with other medications.

**Storage:**

Store below 25°C in a dry place.

Protect from light and moisture.

Keep out of reach of children.
