

Information For the Use
Methylcobalamin (750mcg) + Pregabalin (75mg)

Nuroslide PG Capsule

Methylcobalamin (750 mcg) + Pregabalin (75 mg) Capsules

Description:

This capsule is a combination of Methylcobalamin (a form of Vitamin B12) and Pregabalin, formulated to manage neuropathic pain and support nerve health.

Composition:

- Methylcobalamin: 750 mcg
- Pregabalin: 75 mg

Indications:

This combination is primarily indicated for:

1. **Neuropathic Pain:** Relief of nerve pain associated with conditions such as diabetic neuropathy, post-herpetic neuralgia, and fibromyalgia.
2. **Peripheral Neuropathy:** Improving nerve function and reducing symptoms of nerve damage.
3. **Vitamin B12 Deficiency:** Supporting the regeneration and repair of nerve tissues.

Mechanism of Action:

1. **Methylcobalamin:**
 - Promotes nerve regeneration by aiding in myelin sheath repair.
 - Supports healthy red blood cell production and improves overall nerve function.
2. **Pregabalin:**
 - Binds to calcium channels in nerve cells to reduce the release of pain-causing neurotransmitters.
 - Provides relief from neuropathic pain and stabilizes nerve activity.

Dosage:

- As prescribed by a physician. The typical dose is one capsule per day, preferably after meals.

Side Effects:

- **Common:** Dizziness, drowsiness, fatigue, or dry mouth.
- **Rare:** Allergic reactions, swelling, or difficulty in breathing.

Precautions:

- Avoid alcohol consumption as it may enhance drowsiness.
- Consult a healthcare professional if you are pregnant, breastfeeding, or taking other medications.
- Use with caution in patients with renal impairment.

Storage:

- Store in a cool, dry place away from direct sunlight.
- Keep out of reach of children.

Note: This medication should only be taken under medical supervision. Follow the prescribed dosage and consult a doctor for any concerns or side effects.
