

Information For the User

Methylcobalamin (500mcg) + Cholecalciferol (200 IU) + Zinc Gluconate (5mg) + Lysine Hydrochloride (150mcg) + Folic Acid (140mcg) + Biotin (20mcg) + Niacinamide (15mg) Syrup

Nuroslide Plus Syrup

Composition (per 5 ml):

- **Methylcobalamin** — 500 mcg
- **Cholecalciferol (Vitamin D3)** — 200 IU
- **Zinc Gluconate** — 5 mg
- **Lysine Hydrochloride** — 150 mcg
- **Folic Acid** — 140 mcg
- **Biotin** — 20 mcg
- **Niacinamide (Vitamin B3)** — 15 mg

Description:

Nuroslide Plus Syrup is a neuro-nutritional formulation combining essential vitamins, minerals, and amino acids to support nerve health, enhance immune function, and promote growth and development. This combination plays a crucial role in neurological function, red blood cell formation, protein synthesis, and cellular energy metabolism.

Indications:

- Supportive therapy in peripheral neuropathy and neurodegenerative conditions
- Nutritional supplementation during growth phases in children and adolescents
- General fatigue and convalescence
- Immunity booster in post-illness recovery
- Supplementation in vitamin B-complex deficiency

Mechanism of Action:

- **Methylcobalamin** supports nerve regeneration and myelin sheath repair.
- **Cholecalciferol** aids calcium absorption and bone development.
- **Zinc** supports immune function and cellular growth.
- **Lysine** assists in protein metabolism and tissue repair.
- **Folic Acid** and **Niacinamide** help in red blood cell formation and energy production.
- **Biotin** supports healthy skin, hair, and nervous system activity.

Dosage and Administration:

- **Children:** 5 ml once or twice daily or as directed by the physician
- **Adults:** As prescribed by the physician
- To be taken orally, preferably after meals

Contraindications:

- Hypersensitivity to any component of the formulation

Precautions:

- Use with caution in patients with known vitamin metabolism disorders
- Not a substitute for a balanced diet
- Consult physician during pregnancy and lactation

Side Effects:

- Generally well tolerated
- Rarely: mild gastrointestinal upset or allergic reaction

Storage:

- Store in a cool, dry place below 25°C
- Protect from light and moisture
- Keep out of reach of children
