

NuroslideTM 100 Tablets

Gabapentin 100mg + Methylcobalamin 500mcg

Gabapentin helps modulate neurotransmitter release, **reducing nerve hyperexcitability and neuropathic pain.**

Methylcobalamin supports myelin sheath formation and promotes **nerve regeneration.**

Together, they help improve nerve function, **relieve pain** and support overall neurological health.

Effective in managing **neuropathic pain, paresthesia** and related nerve disorders.

Helps restore nerve conduction and reduces **tingling, numbness and burning sensations.**

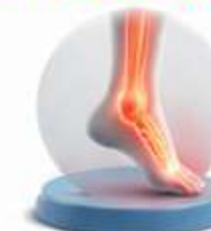

Indications

Neuropathic Pain

Diabetic Neuropathy

Peripheral Neuropathy

Post Herpetic Neuralgia

Nerve Injury & Regeneration
