Super
Antioxidant
For Human Health

10*1*10 Softgel Capsules

Lutein 8% 7mg + Zeaxanthin 250mcg + Astaxanthin 5% 7mg + DHA Rich Algal Oil 150mg + L-Glutathione 5mg Softgel Capsules

- ⌘ **Lutein and zeaxanthin** play a role in preventing macular degeneration or reducing the risk of progression of the diseases and protect the retina
- ⌘ **Astaxanthin** an antioxidant that can promote eye health
- ⌘ **Omega-3 fatty acids** are important for eye's retina and for light and dark perception.
- ⌘ **Glutathione** is an antioxidant produced in cells. It's comprised largely of three amino acids: glutamine, glycine, and cysteine.
