

Information For the User
Dehydroepiandrosterone 75 SR

Ovaflip Tablet

Brand Name: Ovaflip Tablet

Dosage Form: Sustained Release Tablet

Therapeutic Category: Fertility Supplement / Endocrine Support

Composition:

Each sustained release tablet contains:

- **Dehydroepiandrosterone (DHEA) I.P. – 75 mg**

Description:

Ovaflip Tablet contains **Dehydroepiandrosterone (DHEA)**, a naturally occurring steroid hormone produced by the adrenal glands. It serves as a precursor to both androgens and estrogens and is widely used in reproductive health, particularly in **assisted reproductive technology (ART)** and **ovarian rejuvenation**.

Mechanism of Action:

DHEA enhances **follicular environment**, supports **ovarian reserve**, and may improve **oocyte quality and quantity**. It is often used in women with **diminished ovarian reserve** or **advanced maternal age** to enhance fertility outcomes.

Indications:

- **Diminished ovarian reserve (DOR)**
- **Poor ovarian responders in IVF/ICSI protocols**
- **Age-related fertility decline**
- **Adrenal insufficiency (as prescribed)**

Dosage and Administration:

- **Recommended Dose:** One tablet daily or as directed by the physician.
- **Route:** Oral, to be taken preferably with food.
- **Duration:** Typically administered for **6–12 weeks** prior to or during fertility treatments.

Contraindications:

- Known hypersensitivity to DHEA or any excipients
- Hormone-sensitive cancers (e.g., breast, uterine)
- Pregnant or lactating women unless prescribed
- Severe liver dysfunction

Precautions and Warnings:

- Regular monitoring of **hormonal levels** and **ovarian response** is advised.
- Should not be used as a general anti-aging or performance-enhancing supplement without medical guidance.

- Use with caution in patients with **hormonal disorders, polycystic ovarian syndrome (PCOS), or cardiovascular disease.**

Adverse Effects:

- Acne, oily skin, hair growth
- Mood swings, insomnia
- Altered lipid profile with prolonged use
- Rarely, voice deepening or menstrual irregularities

Storage:

- Store in a **cool, dry place** below 25°C.
- Protect from **light and moisture.**
- Keep out of reach of children.
