

Panpital OXT Tablet

Pantoprazole (40mg) + Ondansetron (4mg) Tablet

Description:

This combination medication contains two active ingredients:

1. **Pantoprazole (40mg):** A proton pump inhibitor (PPI) that reduces stomach acid production. It is used to treat conditions such as gastroesophageal reflux disease (GERD), peptic ulcers, and acid-related stomach issues.
2. **Ondansetron (4mg):** A selective 5-HT₃ receptor antagonist that helps prevent nausea and vomiting caused by chemotherapy, radiation therapy, or surgery.

Uses:

- Prevention and treatment of nausea and vomiting associated with gastrointestinal issues or medical treatments.
- Management of acid reflux or GERD, especially when nausea is a co-existing symptom.
- Protection against gastric irritation caused by medications or other triggers.

Dosage and Administration:

- The usual recommended dose is one tablet once daily or as prescribed by a healthcare provider.
- Swallow the tablet whole with water, preferably 30 minutes before a meal.
- Do not crush, chew, or break the tablet.

Contraindications:

- Hypersensitivity to pantoprazole, ondansetron, or any of the tablet's components.
- Patients with a history of serotonin syndrome or severe allergic reactions to similar medications.

Precautions:

- Use with caution in patients with liver impairment, kidney dysfunction, or electrolyte imbalances.
- Avoid concurrent use with medications that prolong QT interval unless deemed necessary by a healthcare provider.
- Not recommended during pregnancy or breastfeeding unless advised by a doctor.

Side Effects:

- **Common:** Headache, dizziness, diarrhea, constipation, dry mouth.
- **Rare but serious:** Allergic reactions, serotonin syndrome, severe skin reactions, irregular heartbeat.

Storage:

- Store in a cool, dry place, away from direct sunlight and moisture.
- Keep out of reach of children.

Note:

This is a prescription medication. Always consult your healthcare provider before starting or stopping this medication. Follow the prescribed dosage and instructions strictly.
