

Information For the User
Rosuvastatin 10 mg + Ezetimibe 10 mg tablet

Rosumore EZ 10 Tablet

Brand Name: Rosumore EZ 10 Tablet

Composition:

Each film-coated tablet contains:

Rosuvastatin Calcium IP equivalent to Rosuvastatin 10 mg

Ezetimibe IP 10 mg

Therapeutic Indication:

Indicated for the treatment of primary hypercholesterolemia, mixed dyslipidemia, and familial hypercholesterolemia

Helps reduce elevated total cholesterol, LDL-C, apolipoprotein B, and triglycerides

Increases HDL-C levels and reduces the risk of cardiovascular events

Mechanism of Action:

Rosuvastatin is an HMG-CoA reductase inhibitor that inhibits hepatic cholesterol synthesis, leading to upregulation of LDL receptors and increased clearance of LDL-C from plasma

Ezetimibe inhibits the absorption of cholesterol at the brush border of the small intestine, reducing cholesterol delivery to the liver

The combination provides complementary lipid-lowering effects for enhanced reduction of LDL-C and other atherogenic lipids

Dosage & Administration:

Usual adult dose: one tablet once daily or as directed by the physician

Can be taken with or without food

Preferably taken at the same time each day

Dose may be adjusted based on lipid response, renal function, and tolerability

Contraindications:

Hypersensitivity to Rosuvastatin, Ezetimibe, or any component of the formulation

Active liver disease or unexplained persistent elevations of hepatic transaminases

Pregnancy and lactation

Severe renal impairment

Warnings & Precautions:

Monitor liver function tests before initiating therapy and periodically thereafter

Use with caution in patients with a history of myopathy or risk factors for rhabdomyolysis

Discontinue immediately if pregnancy occurs

Avoid concomitant use of other hepatotoxic drugs unless prescribed

Side Effects:

Common: headache, myalgia, abdominal pain, nausea

Less common: constipation, dizziness, rash

Rare: rhabdomyolysis, elevated liver enzymes, hypersensitivity reactions

Storage:

Store in a cool, dry, and dark place below 25°C
Protect from moisture and light
Keep out of reach of children

Packaging:

Rosumore EZ 10 Tablet is available in blister or strip packs

Schedule:

Schedule H Prescription Drug – To be sold by retail on the prescription of a registered medical practitioner only
