

Information For the User

Telmisartan I.P. – 80 mg

Telbolife 80 Tablet

Brand Name: Telbolife 80 Tablet

Dosage Form: Tablet

Therapeutic Category: Antihypertensive

Composition:

Each uncoated tablet contains:

- **Telmisartan I.P.** – 80 mg

Description:

Telbolife 80 Tablet contains **Telmisartan**, an angiotensin II receptor blocker (ARB) that helps relax blood vessels by blocking the action of angiotensin II. This results in a decrease in blood pressure, making it an effective treatment for hypertension. It can also help reduce the risk of cardiovascular events such as heart attack and stroke in hypertensive patients.

Indications:

- Treatment of **essential hypertension** in adults.
- Reduces the risk of **cardiovascular events** in patients with hypertension, such as heart attack and stroke.
- Can be used as a single therapy or in combination with other antihypertensive medications.

Dosage and Administration:

- **Recommended Dose:** 1 tablet once daily.
- **Administration:** The tablet can be taken with or without food. It should be taken at the same time each day for optimal results.
- **Dose Adjustment:** Dosage may be adjusted depending on the patient's blood pressure response.

Contraindications:

- Hypersensitivity to **Telmisartan** or any of its components.
- **Severe renal impairment** or anuria.
- **Pregnancy and breastfeeding.**
- **Hyperkalemia** (high potassium levels).

Precautions:

- **Renal Function:** Regular monitoring of kidney function and electrolytes is essential, especially in patients with renal impairment.
- **Electrolyte Imbalance:** Monitor for electrolyte imbalances such as **hyperkalemia**, **hypokalemia**, or **hyponatremia**.

- **Hypotension:** Start treatment with caution in patients with a history of **volume depletion** or **salt depletion**.
- **Hepatic Impairment:** Use with caution in patients with liver disorders.

Adverse Effects:

- **Common:** Dizziness, headache, fatigue, and back pain.
- **Serious: Renal impairment, hyperkalemia, hypotension,** liver enzyme abnormalities, or allergic reactions.

Storage:

- Store below **25°C** in a cool, dry place.
- Protect from light and moisture.
- Keep out of the reach of children.

Shelf Life:

24 months from the date of manufacture.
