

Information For the Use

Collagen Peptide Type-I 40mg + Sodium Hyaluronate 30mg + Chondroitin Sulfate Sodium 200mg + Vitamin C 12.5mg + L-Arginine 500mg

Tendoslash Forte Tablet

Collagen Peptide Type-I 40mg + Sodium Hyaluronate 30mg + Chondroitin Sulfate Sodium 200mg + Vitamin C 12.5mg + L-Arginine 500mg Tablet

Composition

Each tablet contains:

- Collagen Peptide Type-I – 40mg
- Sodium Hyaluronate – 30mg
- Chondroitin Sulfate Sodium – 200mg
- Vitamin C – 12.5mg
- L-Arginine – 500mg

Therapeutic Indications

This combination tablet is designed to:

- Support joint health and improve cartilage function through the synergistic effects of collagen peptides, chondroitin sulfate, and hyaluronic acid.
- Enhance skin elasticity, hydration, and appearance by promoting collagen synthesis and protecting against oxidative stress.
- Improve vascular health and circulation, providing potential support for joint and muscle recovery.
- Provide immune support and promote collagen production with Vitamin C.
- Enhance muscle performance and recovery with L-Arginine.

Pharmacological Action

- **Collagen Peptide Type-I:** A key structural protein that helps to support and maintain the integrity of connective tissues, skin, and bones.
- **Sodium Hyaluronate:** A form of hyaluronic acid that supports the maintenance of joint fluid viscosity and provides lubrication to the joints.
- **Chondroitin Sulfate:** A compound that helps prevent the breakdown of cartilage, supporting joint health and reducing the risk of joint deterioration.
- **Vitamin C:** An essential vitamin that plays a vital role in collagen synthesis, bone and skin health, and antioxidant defense.

- **L-Arginine:** An amino acid that helps improve blood flow and enhance recovery by increasing nitric oxide production, which supports circulation.

Indications

- Joint and cartilage health maintenance.
- Skin elasticity and anti-aging support.
- Muscle recovery and performance enhancement.
- Immune system strengthening and antioxidant protection.

Dosage

- **Adults:** One tablet daily or as prescribed by your healthcare provider.

Precautions

- Consult a healthcare professional before use, especially if pregnant, nursing, or on medication.
- Not recommended for individuals with known allergies to any of the ingredients.

Storage

- Store in a cool, dry place, away from direct sunlight.
- Keep out of reach of children.

Presentation

- Available in a bottle of 30 tablets.

Always consult your healthcare provider before starting any new supplement or medication.
