- Dimethicone
- Fragrance
- Purified Water

q.s. to 100 ml

## Dosage Form:

Shampoo (Topical)

## Therapeutic Category:

Baby Hair Cleanser / Tear-Free Gentle Scalp Cleanser

## Description:

Tinybud Baby Shampoo is a scientifically formulated, ultra-gentle, tear-free cleanser enriched with mild surfactants and natural conditioning agents. It is dermatologically tested for baby's delicate scalp and fine hair. The botanical extracts, moisturizing agents, and pH-balanced base ensure effective cleansing without drying or irritating the baby's scalp. The formula lathers softly and rinses easily, making bath time comfortable and safe.

## Indications:

- Gentle cleansing of baby's hair and scalp
- Suitable for daily use on sensitive scalp
- Helps manage cradle cap or scalp dryness
- Maintains scalp hygiene without stripping natural oils

## Mechanism of Action:

- **Decyl Glucoside, Sodium Lauroyl Sarcosinate, Cocamidopropyl Betaine** are ultra-mild, non-ionic and amphoteric surfactants that cleanse gently without irritating the eyes or skin
- **Aloe Vera and Neem Extracts** provide natural antimicrobial, soothing, and hydrating benefits
- **Glycerin and Propylene Glycol** act as humectants to retain scalp moisture
- **Dimethicone** acts as a hair conditioning agent to reduce frizz and tangling
- **Citric Acid and Sodium Hydroxide** help maintain pH balance suited for baby skin

## Directions for Use:

Apply a small amount of shampoo to baby's wet scalp and hair  
Gently massage to lather  
Rinse thoroughly with lukewarm water  
Avoid direct contact with eyes  
For external use only

## Adverse Effects:

Well tolerated in pediatric use  
Rarely, very mild irritation may occur in hypersensitive individuals  
Discontinue use in case of redness or allergic reaction

## Precautions:

Avoid contact with eyes, nose, or mouth  
Do not use on broken or inflamed scalp

## Storage:

Store below 30°C in a cool and dry place  
Protect from direct sunlight and moisture  
Keep out of reach of children
