

TinyBud™

# KIDS SHAMPOO

- ★ It is particularly ideal for use with newborn babies and infants who possess minimal hair, ensuring a mild and effective cleanse.
- ★ The shampoo is specifically formulated to be suitable for sensitive skin, minimizing the risk of irritation while providing essential care.
- ★ The composition is enriched with key natural ingredients including soothing aloe vera extract, clarifying Neem extract, and moisturizing glycerin.
- ★ The product offers a convenient and pleasant way to clean the baby's scalp and body, promoting overall cleanliness and comfort.
- ★ The gentle pH-balanced formulation ensures a tear-free experience, making bath time easier and more enjoyable for both the baby and the parent.
