

Information For the User
Tofacitinib (11mg) Tablet

Tofatake 11 ER Tablet

Brand Name: Tofatake 11 ER Tablet

Dosage Form: Extended-Release Tablet

Composition:

Each extended-release tablet contains:

- Tofacitinib IP 11 mg

Description:

Tofatake 11 ER Tablet contains Tofacitinib, a Janus kinase (JAK) inhibitor used in the management of autoimmune and inflammatory disorders. The extended-release formulation ensures sustained therapeutic plasma concentrations over 24 hours, improving patient compliance and providing consistent disease control.

Indications:

Indicated for the treatment of:

- Rheumatoid arthritis
- Psoriatic arthritis
- Ulcerative colitis
- Other autoimmune inflammatory conditions, as prescribed

It helps in reducing inflammation, joint pain, swelling, stiffness, and progression of disease activity.

Dosage & Administration:

Dosage should be as directed by the physician.

The tablet should be swallowed whole with water.

Do not crush, chew, or split the extended-release tablet.

Pharmacological Action:

Tofacitinib selectively inhibits Janus kinase (JAK) enzymes involved in the signaling pathways of inflammatory cytokines. By modulating immune response, it reduces inflammation and immune-mediated tissue damage.

Side Effects:

Commonly reported side effects may include headache, upper respiratory tract infections, gastrointestinal disturbances, and increased liver enzymes.

Serious adverse effects are uncommon when used under medical supervision.

Precautions & Warnings:

- Use with caution in patients with active or chronic infections
- Monitor complete blood count, liver function, and lipid profile periodically
- Not recommended during pregnancy or lactation unless clearly advised
- Use under strict medical supervision

Drug Interactions:

Caution is advised when used with potent immunosuppressants or CYP3A4 inhibitors or inducers.

Consult a physician before co-administration with other disease-modifying agents.

Storage:

Store below 25°C in a cool, dry place.

Protect from light and moisture.

Keep out of reach of children.

Manufactured in India for:

Cafoli Lifecare Pvt. Ltd.
