

Information For the User
tofisopam (100mg) Tablet

Tofizelam 100 Tablet

Brand Name: Tofizelam 100 Tablet

Dosage Form: Tablet

Composition:

Each film-coated tablet contains:

- Tofisopam IP 100 mg

Description:

Tofizelam 100 Tablet contains Tofisopam, a benzodiazepine derivative with anxiolytic properties. It is indicated for the management of anxiety disorders and related psychosomatic conditions. Unlike classical benzodiazepines, Tofisopam exerts anxiolytic effects without marked sedation, muscle relaxation, or cognitive impairment, providing symptomatic relief while maintaining daytime functioning.

Indications:

Indicated for the treatment of:

- Anxiety disorders
- Psychosomatic conditions associated with stress
- Short-term management of situational anxiety

It helps in reducing tension, restlessness, irritability, and associated psychosomatic symptoms.

Dosage & Administration:

Dosage should be as directed by the physician.

The tablet should be swallowed whole with water.

Individual dose adjustments may be necessary based on age, severity of symptoms, and patient response.

Pharmacological Action:

Tofisopam selectively modulates GABAergic neurotransmission, exerting anxiolytic effects without significant sedative, hypnotic, or muscle-relaxant properties. It alleviates anxiety by balancing central nervous system activity while maintaining alertness.

Side Effects:

Generally well tolerated.

Possible side effects include mild gastrointestinal disturbances, headache, dizziness, or transient drowsiness.

Precautions & Warnings:

- Use with caution in patients with a history of drug dependence or hepatic impairment
- Avoid abrupt discontinuation after prolonged use
- Not recommended during pregnancy or lactation unless prescribed by a physician
- Monitor elderly patients for excessive sedation or confusion

Drug Interactions:

Caution with concomitant CNS depressants or alcohol, which may potentiate drowsiness. Consult a physician before combining with other psychotropic medications.

Storage:

Store below 25°C in a cool, dry place.
Protect from light and moisture.
Keep out of reach of children.

Manufactured in India for:

Cafoli Lifecare Pvt. Ltd.
