

Information For the User
Amitriptyline (10mg) + Methylcobalamin (1500mcg) SR Tablet

Trypamin M 10 Tablet

Trypamin M 10 Tablet

Dosage Form: Tablet

Composition:

Each sustained release tablet contains:
Amitriptyline Hydrochloride I.P. 10 mg
Methylcobalamin I.P. 1500 mcg

Description:

Trypamin M 10 Tablet is a combination formulation containing Amitriptyline, a tricyclic antidepressant, and Methylcobalamin, an active form of vitamin B12. It is primarily used in the management of neuropathic pain, peripheral neuropathy, and mood disorders associated with nerve damage. Amitriptyline modulates neurotransmitters in the central nervous system to reduce pain perception, while Methylcobalamin supports nerve regeneration and repair.

Indications:

Neuropathic pain management
Peripheral neuropathy (diabetic, alcoholic, or drug-induced)
Mood disorders associated with chronic pain
Supportive therapy for nerve regeneration

Dosage & Administration:

Dosage should be taken as directed by the physician.
Tablet should be swallowed whole with water, preferably after meals.
Do not crush or chew the sustained release tablet.

Pharmacological Action:

Amitriptyline inhibits the reuptake of norepinephrine and serotonin, enhancing inhibitory pain pathways and improving mood.
Methylcobalamin supports the synthesis of myelin and regeneration of damaged nerves, improving nerve function and reducing neuropathic symptoms.
The combination provides both symptomatic relief and neurotrophic support.

Side Effects:

Drowsiness
Dry mouth
Constipation
Nausea
Rare allergic reactions

Precautions & Warnings:

Use under medical supervision only.
May cause drowsiness; avoid driving or operating machinery if affected.

Use cautiously in patients with cardiac disorders, hepatic impairment, or a history of seizures.
Not recommended during pregnancy and lactation unless prescribed.

Drug Interactions:

May interact with other antidepressants, MAO inhibitors, and CNS depressants.
Consult physician before concomitant use with other medications.

Storage:

Store below 25°C in a dry place.
Protect from light and moisture.
Keep out of reach of children.
