

# Virafly 50 tablet

## INFORMATION FOR THE USE

### Virafly 50 Tablet

### Sildenafil Citrate 50mg – Tablet

#### Description:

Virafly 50 Tablet contains Sildenafil Citrate, a phosphodiesterase type 5 (PDE5) inhibitor used to treat erectile dysfunction (ED) in men. It works by increasing blood flow to the penis during sexual stimulation, helping to achieve and maintain a firm erection. This formulation is designed for reliable onset of action and enhanced sexual performance in men with ED.

#### Composition:

- Sildenafil Citrate: 50mg

#### Indications:

1. Erectile Dysfunction (ED): Helps men achieve and maintain an erection suitable for sexual activity
2. Improves sexual confidence and performance
3. Used in male patients with psychogenic, organic, or mixed-type ED

#### Mechanism of Action:

Sildenafil inhibits the enzyme phosphodiesterase type 5 (PDE5), which is responsible for the breakdown of cyclic guanosine monophosphate (cGMP). During sexual stimulation, nitric oxide is released and increases cGMP levels, causing smooth muscle relaxation and vasodilation in the corpus cavernosum of the penis. This results in improved erectile response.

#### Dosage and Administration:

- Recommended dose: One tablet taken orally with water, 30 to 60 minutes before sexual activity
- Maximum dosing frequency: Once per day
- Should be taken on an empty stomach for faster absorption
- Sexual stimulation is required for the medicine to be effective

#### Side Effects:

- Common: Headache, flushing, nasal congestion, dizziness, indigestion, visual disturbances
- Rare but Serious: Priapism (prolonged erection), sudden vision loss, hearing loss, cardiovascular events

#### Precautions:

1. Contraindicated in patients using nitrates or nitric oxide donors

2. Use with caution in patients with cardiovascular disease, hepatic/renal impairment, or anatomical penile deformities
3. Avoid alcohol and recreational drugs
4. Not indicated for use in women or children
5. Seek medical attention if an erection lasts more than 4 hours

**Storage:**

- Store in a cool, dry place below 25°C
- Protect from moisture and direct sunlight
- Keep out of reach of children
