

# Zymvigo P Tablet

Pancreatin 175 mg + Simethicone 50 mg + Charcoal 50 mg  
Digestive Support Tablet

## Comprehensive Digestive Relief

Pancreatin 175 mg + Simethicone 50 mg + Charcoal 50 mg tablet offers a **powerful blend of enzymes and agents** designed to support digestion, reduce bloating, and alleviate gas discomfort. This combination helps manage **indigestion, flatulence**, and related gastrointestinal issues effectively.

## Key Ingredients & Functions

- Pancreatin 175 mg**  
*A blend of digestive enzymes (amylase, protease, and lipase).*
  - Breaks down proteins, fats, and carbohydrates.
  - Enhances digestion and nutrient absorption.
  - Provides relief from symptoms like bloating and abdominal discomfort caused by poor digestion.
- Simethicone 50 mg**  
*An anti-foaming agent.*
  - Reduces gas bubbles in the stomach and intestines.
  - Relieves symptoms of bloating, pressure, and fullness.
  - Helps the body expel gas easily.
- Activated Charcoal 50 mg**  
*A natural absorbent.*
  - Adsorbs toxins and gas in the digestive tract.
  - Helps reduce flatulence and intestinal discomfort.
  - Aids in detoxification and alleviates symptoms of food poisoning or indigestion.

## Indications

- Indigestion and digestive discomfort
- Excessive gas and bloating
- Flatulence and abdominal cramps
- Support for pancreatic enzyme insufficiency

## Benefits

- Enhanced Digestion:** Pancreatic enzymes improve the breakdown and absorption of nutrients.
- Gas Relief:** Simethicone effectively reduces trapped gas and bloating.
- Detoxification:** Charcoal helps remove toxins and reduces flatulence.
- Comprehensive Relief:** Addresses multiple digestive issues in one tablet.

## Dosage & Administration

- Recommended Dosage:** Take 1 tablet after meals or as directed by a healthcare professional.
- Method:** Swallow the tablet with water. Do not crush or chew.

## Precautions

- Consult a Doctor:** Before use, especially if you are pregnant, breastfeeding, or have underlying medical conditions.
- Allergies:** Avoid if allergic to any of the ingredients.
- Medical Conditions:** Caution in patients with severe pancreatic disorders or gastrointestinal blockages.
- Not for Long-Term Use:** Prolonged use should be under medical supervision.

---

## Possible Side Effects

- **Common:** Nausea, mild abdominal discomfort, or constipation.
- **Rare:** Allergic reactions such as rash or swelling.

If any side effects persist or worsen, discontinue use and consult a healthcare professional.

---

## Storage

- Store at room temperature (below 25°C).
  - Keep away from moisture and direct sunlight.
  - Keep out of reach of children.
-
